[Sort by relevance](#) | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)

[Concurrent display of data from two different display processors and user ...](#)

US Pat. 4937036 - Filed Mar 21, 1988 - Xerox Corporation
16A, 100A the directory window establish partitions in the **reserved disk space**
... **page** size of the fixed disk re- VIRTUAL FLOPPY DISK ICON served **space** of ...

[Performing operating system recovery from external back-up media in a ...](#)

US Pat. 6845464 - Filed Apr 27, 2001 - Hewlett-Packard Development Company, L.P.
... one of said areas of said data storage device is a **reserved space** partition,
... said method comprising the steps of: 59 **copying** a back-up operating ...

[Method and apparatus for embedding concatenated data files into object files ...](#)

US Pat. 5991763 - Filed Oct 21, 1997 - Sun Microsystems, Inc.
... said set of assembly instructions into said object file, said object file
including **reserved space**; and **copying** said snapshot into said **reserved space**. ...

[Virtual memory allocation in a virtual address space having an inaccessible gap](#)

US Pat. 6125430 - Filed Oct 30, 1998 - Compaq Computer Corporation
As an alternative, a predetermined virtual address may be **reserved** in shared **space** to
... The **page** tables for a process virtual address **space** are themselves ...

[Operating System architecture with reserved memory space resident program ...](#)

US Pat. 5594903 - Filed Dec 7, 1993 - Lynx Real-Time Systems, Inc.
Another representation of a virtual address **space** portion 130 of the main ...
Although the **page** tables 98 provided for in the OS data segment 72 could be ...

[\[APPLICATION\] Concurrent transactions and page synchronization](#)

US Pat. 10879665 - Filed Jun 29, 2004 - Microsoft Corporation
Transaction T± can then copy the data **page** "A" at 720, to a **reserved space**, as
copy Ap At 730, detection made is that the golden copy of data **page** "A" has ...

[System and method for fast reboot of a file server](#)

US Pat. 6965939 - Filed Aug 14, 2001 - Network Appliance, Inc.
Note that a **reserved** memory **space** 316 is also established. ... The loading is
from a compressed kernel image in the **reserved space** 316. ...

[System and method for garbage collection with ambiguous roots](#)

US Pat. 4907151 - Filed Sep 30, 1988 - Digital Equipment Corporation

Copy to New **Space** those objects pointed to by unambiguous pointers in Root. ...

While **Copying**, promote all pages referenced by hints in copied program ...

Virtual memory managing system for managing swap-outs by page units and a ...

US Pat. 6473642 - Filed Jan 4, 2000 - NEC Corporation

In other words, memory area reserving means 71 sets the **page** address of each **page** of the **reserved** segments 200 in **page** tags 31 in the entries corresponding ...

Mechanism supporting execute in place read only memory applications located ...

US Pat. 5822784 - Filed Jul 12, 1996 - intel Corporation

In processing block 805, pages of RAM are **reserved** for future **page** faults. ...
virtual address **space** which will be used when the application is executing. ...
